

# Presentation Feedback Report

Generated: 11/23/2025, 1:25:27 AM

## Overall Summary

Here's a summary of your presentation feedback:

### Key Areas for Improvement:

- \* Vocal Delivery & Clarity:
  - \* Slow your speaking pace for improved clarity and impact.
  - \* Vary your tone and pitch to sound more engaging and confident.
  - \* Enunciate clearly and speak with clear intention, avoiding sounds like 'aha'.
  - \* Eliminate filler words such as "like" and "I think," and use more formal language (e.g., avoid "cuz").
  - \* Project your voice with confidence and control your breathing.
- \* Visual Engagement & Expression:
  - \* Improve facial expressions: relax your brow and jaw, convey more happiness and energy, and vary expressions to engage the audience.
  - \* Reduce visible signs of anger or neutrality; aim for a more positive and energetic demeanor.
- \* Audio Environment & Professionalism:
  - \* Ensure a prompt start, and eliminate background and distracting noises.

### Overall Performance Summary:

The feedback indicates a strong need to enhance both vocal and visual aspects of your presentation for greater engagement and professionalism. Key themes include improving clarity and impact through controlled pacing and enunciation, projecting more confidence and energy through varied vocal dynamics and positive facial expressions, and maintaining a clean audio environment.
